Dedication

Because he has worked for and with us, because he has given of his time and wisdom—words are a poor substitute with which to express our sincere respect and admiration for this man. Everyone respects this teacher and coach and looks to him

for advice and help. He is never too busy to stop and talk with a student or to help the school in any way he can.

In the twenty years that he has been coach at the Herrin Junior High School, his teams have not only reached the State Finals fourteen times, but they have also won the championship four times. In appreciation for such devoted service, the Yearbook Staff proudly dedicates the 1972 Junior Herrinite to Mr. Mike Sortal.
